

Fall 2:

Spooky Pen and Ink Drawings: Using pen and ink we will create whimsical drawings from haunted houses, enchanted forest, and much more! Learn how to use lines and design to capture these spooky images.

Monster Mash: Learn to draw and paint the faces of our creepy, funny, and silly favorite monsters.

Around the Pumpkin Patch: What is your favorite thing to see at the pumpkin patch? Join us in this fun festive paint along class.

Cartoon: Mini Flipbook: Watch your images come to life as we create mini flipbooks! Learn how easy it is to create motion through a series of cartoons.

Colors of the Autumn: Enjoy painting step by step pictures as we explore the warm colors of the cool season.

Barnyard Friends/ Fall on the Farm: Learn how to create the friendly faces around the barn through drawing and painting. Use supplies like watercolor, tempera, and pastels to explore texture, shapes, and space.

Fall into Nature: Create beautiful landscapes of familiar fall scenes. Learn the importance of color, light, and textures that are found in nature.

Patterns n' Prints: We will explore natural, geometric, and organic patterns to create interesting pictures filled with movement, color, and line.

Jack-o'-Lanterns: Using terracotta clay we will learn how to make coils, pinch pots and more as we create our very own Jack-o'-Lanterns!

Night time Creatures: Don't let the night time spook you away! Come paint what creatures awaken in the night as we paint the most exciting scenes.

Fall Goodies: What is your favorite thing about the fall? Let your little ones learn to draw and paint adorable images of pumpkins, pies, scarecrows and much more.

Classic Monster Comic Posters: Learn how to create your own poster of your favorite universal monsters. See what it takes to incorporate words and images to captivate the audience.

Paper Mache: Buckets for Candy: Be inspired by witches, pumpkins, and monsters as you create awesome bowls to use for your halloween candy.

Folk Art: Create images that reflect life, history, and culture from many places around the world. We will make these decorative images focusing on colors, lines, and patterns.

Hand Sewing: Felt Maskerad: Learn how to create your own mask from woodlands creatures to fantastic characters. We will create these beautiful masks using felt and sewing materials as we learn the techniques of hand sewing.
