

Class Description

Grade Pre-k

Kinder Paint- In this fun-filled painting class, young artists will discover the magic of painting with a variety of colorful materials! Using brushes, sponges, and their hands, kids will explore different painting techniques while creating their own masterpieces.

Kinder Paint and Clay- In this playful and creative class, little artists will dive into the world of paint and clay! Using colorful paints, children will learn how to create beautiful artwork with their brushes, while also exploring the tactile world of clay. They'll shape and mold their own sculptures, from animals to simple shapes, and then decorate them with paint to add bright, fun details.

Simple Landscapes- In this class students will draw landscapes in as few lines as possible, making a drawing simple, quick, but accurate. This will focus young students on colors and the movement of painting.

Class Descriptions

Grades: K-2

Line Landscapes Drawing- is designed to teach students the fundamentals of creating landscape scenes using only lines. This class typically focuses on techniques that simplify natural environments into expressive line work.

Light and Shadow- This class shows students how light brings form and shadows give depth and interest into drawings or paintings. They will be shown a light and subject demonstration to understand how light affects objects. This active painting and drawing class will help with students observation skills for artwork beyond this class.

Clay Bunnies- Join us in making sweet spring bunnies in this hand building clay class. We will use a variety of techniques; pinch pots, coils, slab, and molding. Students will make one intricate piece focusing on forms and textures.

Sweets n' Treats- Have a delicious time drawing and painting the tastiest art around! We will draw and paint delicious sweet treats like cake or candy or anything sweet and arranged beautifully and colorfully.

Funky Clay Plates- Come bring your own ideas to life in this funky plate class. Students will design their own ideas and be guided through handbuilding techniques to create a set of dishes.

Cartooning Video Games- Create fun comics and comic-style art based on your favorite video game characters. Create a comic page or scene featuring your choice of characters, as you learn techniques in drawing, inking, and lettering. All materials included.

Yayoi Kusama Painting- This class will be exploring Yayoi Kusama's wild polka dot and repetitive designs to create wonderfully expressive contemporary work. Students will use a variety of tools to create these distinct abstract pieces.

Class Description

Grades 3-5

In the Garden: Tunnel Cards- Come learn how to create your own pop-up greeting card that creates a three- dimensional garden scene. Here you will draw out each layer and use watercolors and colored pencils to create each intricate layer. Then you will learn how to assemble the card with your decorated pieces.

Medieval Lettering- Come learn how to transform letters into beautiful ornate lettering. Using guidelines, borders, and medieval references you will create a crest for your initials. After designing your letters, learn to use line thicknesses to bring emphasis and variety to the sketch, and finish with oil pastels.

Garden Bugs (Mock Stain Glass)- Step into the world of beautiful stained glass—no glass-cutting required! In this creative and fun class, young artists will learn how to make their very own imitation stained glass designs using colorful tissue paper, black outlines, and simple art supplies. It's a safe and easy way to create stunning, light-catching artwork, just like real stained glass!

Mythical Creatures & Fantasy Worlds- Let your imagination soar as we bring mythical creatures to life with papier-mâché! Students will design & sculpt their own dragons, griffins, mermaids, or other fantastical beasts. We'll explore basic armature-building techniques using cardboard & recycled materials, then layer plastic, newspaper strips and masking tape to create unique textures & details. Once dry, students will paint and embellish their creatures with scales, fur, or magical patterns. This is the perfect class for young artists who love fantasy, storytelling, and hands-on sculpting!

Crochet Mini Stuff Animals- Do you want to learn how to crochet? Come learn how! We will be learning simple crochet stitches to make mini stuff animals. All levels are welcome, if you are more familiar with crochet come join the group and learn new things together!
