

Class Description

Art in the Great Outdoor

Ages 4-6

Butterfly Gardens- In this fun-filled painting class, young artists will discover the magic of painting with a variety of colorful materials! Using brushes, sponges, and their hands, kids will explore different painting techniques while creating their own butterfly masterpieces.

Clay Garden Critters- Join us in making sweet garden critters in this hand building clay class. We will use a variety of techniques; pinch pots, coils, slab, and molding. Students will make one intricate piece focusing on forms and textures.

Paint & Clay Adventure- Time to go on an adventure at Kaleidoscope! Students will have the chance to explore multiple mediums that are inspired by peaceful picnic scenes. In just one class students will create a sculpture out of air dry clay, leaving the rest of camp to painting!

Ages 7+

Fantastic Forest Art- Join us for a magical art journey to the Forest, where young artists will explore the beauty of landscapes and woodland creatures! Through simple, easy-to-follow instructions, children will learn how to draw and paint elements of a forest, including trees, streams, friendly deer, owls, and more.

Clay Birdhouses- This whimsical house for the birds will provide hours of fun and creativity for students; and for the birds it will provide a fine home with artistic flair and style! You will learn how to create a birdhouse by using coils and slabs. Finished pieces will be painted with underglaze and kiln fired.

Fun & Funky Clay Mushrooms- Create beautiful and exciting clay mushrooms in hand built clay. Both directed projects and experimentation will be supported and encouraged as your child's skill evolves. Pieces will be fired and finished with glazes, oxides or paint. Tuition includes all supplies.

Minecraft Worlds- Use your creativity to create fun comic-style art using your favorite Minecraft character and scenes. Create a comic page or scene featuring your choice of characters, as you learn techniques in drawing, inking, and lettering. All materials included.

Garden Bugs- Who is crawling, buzzing, and flying around the plants? Learn about different bugs while painting them in their wonderful environment.

Ages 10+

Teen Cartoon Studio- In this dynamic and fun open studio class, teens will have the freedom to explore the world of cartooning while honing their skills in character design, storytelling, and comic creation. Whether you're a beginner or an experienced cartoonist, this class provides a supportive space for students to develop their unique cartooning style at their own pace.

Paint & Pastel Landscape- Adding thick pastel on to your paintings will give it the finished look creating depth through highlights and shadows. We will create whimsical landscapes while learning techniques to paint with acrylic.

Great Outdoors Flip Book- Watch your images come to life as we create mini flipbooks! Learn how easy it is to create motion through a series of cartoons.

Flower Stakes Mosaic- Discover this irresistible art form as you learn the techniques to create flower stakes for your garden. Form your mosaic by arranging and inlaying tesserae in grout - use anything from broken ceramics, tiles, shells, pebbles, colorful glass, etc. Unleash your creativity as you experiment with color, design, and textures.

Mosaic Lantern- Discover this irresistible art form as you learn the techniques to create whimsical mosaic lanterns. Form your mosaic by arranging and inlaying tesserae in grout - use anything from broken ceramics, tiles, shells, pebbles, colorful glass, etc. Unleash your creativity as you experiment with color, design, and textures.
